

2025 ANNUAL BUSINESS AND MEMBERSHIP MEETING

- **PEAKS OF PROGRESS: EMBRACING THE CHALLENGE TO REACH NEW HEIGHTS**
- **APRIL 10-12, 2025; KALISPELL, MONTANA; HILTON GARDEN INN**
- **CONFERENCE WEBSITE**

LEGISLATIVE ADVOCACY/COMMUNITY CONNECTIONS/EDUCATION

ASCLS-MT Welcomes you to Kalispell!

Greetings ASCLS Montana Members and Family,

We are looking forward to presenting an informative and collective Spring Meeting. We are fortunate to network with more than 30 industry partners with our vendor exhibits.

You won't want to miss our Keynote presentation:

- **ASCLS President Pat Tille: The Road to Leveraging Laboratory Medicine and Value Based Care**

In addition, we will be hearing from **Region VIII Chair, Robyn Sorrell**, to discuss important regional updates as we are now a couple months away from the Joint Annual Meeting in Sacramento, California! If you're wanting to learn more about our successful and empowering **Region VIII Leadership Academy**- our Montana intern, Kacie Toennis, will be presenting their project during our Awards and Installation of Officers Meeting on Friday, April 11th at Noon. **President Elect Anne Tate** will be presenting an informative discussion: **Clinical Laboratory Compliance, Policy, and Advocacy**.

Conference Chair Maria Rodriguez and our energetic and talented Planning Committee have crafted an engaging, interactive, and encouraging program and we are looking forward to demonstrating that we welcome new challenges and aspire to reach new heights as we continue to advocate for our profession and most importantly- celebrate and thank our members!

Exciting highlights of our program will feature a **Silent Charity Auction** with proceeds to support our Scholarship and Travel Fund, an updated experience for our **Student Interns from Montana State University and Flathead Valley Community College**, as well as a **Trivia Social event at Big Mountain Cider Works**!

On behalf of the conference planning committee and leadership team of ASCLS-MT, again, welcome to Kalispell!

Sincerely,

Anna Adams MPH, MLS(ASCP)CM

ASCLS-MT President
